

Roma NetWorks Local debate-2. - Budapest (2015.03.20., KalyiJag)

Participants: Joó Lajos - DIA, Molnár Attila Budapest Government, Varga Gusztáv – KalyiJagPresident, Wendl Péter RCA, Zettisch Nándor – DIA President

Agenda:

1. Rewiew of RNW workplan

The tasks of the first project year were completed.

The necessary for the 1. Interim report documents were sent to Almeria in January 2015.

2. Preparation to the Sofi workshop (2015.04.21-22.)

The project manager and Molnár Attila will take part.

We will present some new Good Practices, and also the RCA „Everyday heroes” films.

3. Good Practices (GP) in Roma integration

Today we have 2 GP in English.

Each partner promised to prepare 2-2 GP's in the GP Template form and send to the project manager until 15th April

4. Addition to RNW Partners list

The 4 organisations will involve 5-5 local partners into RNW, who really will actively participate in the project and send the Local Mapping Template form

to the project manager until 15th April.

We plan to organise a workshop for local RNW-partners in May/June in Kalyi Jag.

5. Preparation of expert contracts.

We shall discuss the details of the contracts with leading Spanish Partner in Sofia. After it we'll finalize the contracts and concretize the tasks.
